Hilarie: can you please do an expose on barney frank?
Hilarie: i really hate that guy
me: nope
Hilarie: i dont get why no one has covered the obvious conflict of interest
me: picking out Frank as particularly worthy of criticism is kind of odd
Hilarie: not really. he was in a relationship wtih the head of fannie/freddie while congress was pushing them to give out more loans. look it up.
me: and he gets regularly attacked by right press on that anyway
me: I know, and that's out there, and is no worse than the relationships other Congressmen have
Hilarie: yeah i guess i dont watch the right press
me: well, it's been picked up by msm at points
Hilarie: i watch cnn
Hilarie: nice article tho
Hilarie: i dont have a problem with occupy wal street
